

RED DEER TITANS

2010 Season Report

Junior Boys

The season began on a rocky foot belonging to a poorly run Calgary Rugby League that was unable to provide a proper playoff at the end of the season. Luckily, the Red Deer Titans also competed in the Edmonton Rugby League, which was very well run and gave the boys weekly games with a final at the end of the season to strive for. The Calgary League, however, was good training for the Titans as they played two games a week for three weeks and then headed off to the Alberta Summer Games. The team, which was sponsored by **TankSafe**, was fit and well disciplined. At the Alberta Summer Games, the boys went undefeated with a win over the Okotoks team in the final and won the Gold medal. The team then returned to Red Deer and continued to play in the Edmonton League, losing only one game all season. In the playoffs, the Titans played the semi-final at home and easily won. The boys then headed into the final, which saw them competing against the Clansmen II, who had beat the Titans during the regular season and were hungry for the Championship title and the new league trophy. However, the Red Deer boys had other plans. The Titans came out hard and kept the Clansmen in their own end for the majority of the game and won the Championship in convincing fashion.

Five of the boys from this team later travelled to Vancouver, where they played with the Rowing Club and led the team to an undefeated season and won the B.C. U-19 Provincial Championships over the returning Champions from Vancouver Island.

Grady Bowd was named the Most Valuable Player for the Red Deer Titans Junior Men's Team at the 2010 Annual Awards Banquet.
