

Brittany Charles

What's it like looking up people's nostrils all day? You really get to know who has what kind of boogers.. Runny/crusty/green/etc

Craziest thing you've done in a foreign country: Running down a Cuban beach naked with three of my girlfriends, at night of course.

"Give thanks for what you are now, and keep fighting for what you want to be tomorrow."

Nickname:	Britt
Profession:	Administrative Assistant
Dream career:	Undecided at this point.. Still trying to figure that one out..
Greatest achievement:	Hmm.. This requires the thinking cap.. Let's put it this way, moving away from home took a lot for me considering I had never even moved out of my parent's house until moving to Red Deer, so I'd say that's a pretty big personal accomplishment. Rugby wise – winning provincials

Fav. drink:	Depends on the season really (generally beer) – but a big tall caesar is always nice for the Sunday morning hangover (which seems to be happening a lot since I joined the Titans).
Fav. color:	Anything bright/bold

Where and when I first ran onto a rugby field:	I started playing rugby when I was in grade ten (2004 or 2005) at Adam Scott (High School back home in Peterborough, ON).
Position:	Scrumhalf
Debut season for the Titans:	2011

I like to spend my weekends:	Playing/recovering from rugby
An exciting endeavour on my horizon is:	Moving in with Boorman in September
Right now I'm learning:	How to get around Red Deer still.

Do girls have more fun in Ontario or Alberta? I feel like a traitor saying this, but overall this summer has been lots of fun for me.. There has been lots of fun, but maybe it's just that girls from Ontario can have fun anywhere? Or we could put the spin on it that Alberta girls make everything fun!

Favourite Titan memory:	I'm hopeful that it is going to be winning provincials – but besides that I would have to say so far the Circus party was pretty spectacular.
Oddest place I have ever bumped into a Titan:	Currently, anywhere I see anyone I actually recognize is like a shock..

What I believe is the best attribute about the Titans:	So welcoming! I have made so many friends over the summer. I really like how the club gets the guys and girls teams doing things together. It is definitely a fun/outgoing group!
Who my best mate was during my playing years:	There has been a few, but from Ontario that would be Laura Snell and Kelly Zimnicki, and from Alberta – my one and only BFA (Best friend from Alberta haha) Nicole Boorman
The Titan's community member that influenced me the most was:	Still getting to know everyone, but so far I'd say Ray Rogers – pushes me to play my best

"Your most important issue each day is not what's happening around you; it's what's happening within you."
