A Calgary Canucks player tries desperately to escape the clutches of the Red Deer Titan Johannes Smith during U-13 Rugby action at the Titans Rugby Field Saturday afternoon.

Johannes Smith is a consistent offensive force with the Red Deer Titans under-13 boys squad. Smith has scored two or more tries in most — if not all — of the Titans contests this season, and scored three in the team's 50-29 victory Saturday over the visiting Calgary Canucks. His efforts helped the Titans improve to five wins versus three losses for the season.
